## NOTE TO COMPETITORS

Competitors must be present at the start FIVE minutes before the scheduled starting time of the event.

Competitors engaged in a Field Event scheduled to be conducted at the same time as a Track Event, should first report to the Field Judge who will arrange for the competitor to have his trials out of the programme sequence, if necessary. However, if such competitor is not able to make his trial before a new round has commenced, he cannot be allowed to trial for the round he has missed.

All competitors must leave the arena immediately at the conclusion of their events, unless required for another event.

No "warming-up" may be done on the main oval. Such exercises must be carried out in the ground on the northern boundary of the main oval.

**Event 42. (4.00) — 4 x 110 YARDS RELAY : GIRLS, Under 14 yrs.**

Each baton changing zone is 22 yards in length. The relieving runner may commence his run from a mark 11 yards from the zone (on the approach side) but the baton changing must only be effected within the zone.

Each retiring runner (after passing his baton) must remain within his lane until all approaching runners are clear. The composition of teams must not be changed from those which contested the heats.

If, however, a runner is unable to take his place in the team through illness or injury, a substitute may be allowed on the production of a certificate signed by the principal or team manager.
